Re: *Nancy Seaman* - #520695

Dear Governor Snyder and Members of the Michigan Parole Board:

I have been contacted by the Michigan Women's Justice & Clemency Project concerning Nancy Seaman's petition for commutation of sentence.

This case was assigned to me when Ms. Seaman filed a Petition for a Writ of Habeas Corpus. The file and the Court's Opinion speak for themselves but in addition to that, the Court had an opportunity to hear the testimony of the psychologist who was not permitted to testify at the trial, as evidenced by the record.

Ms. Seaman seems to be a good candidate for commutation of sentence, and I would have no object to the Governor giving serious consideration to this request.

Sincerely,

Bernard A. Friedman
United States District Judge
